FOR CLUBS & TOURNAMENT ORGANISERS

Your matchday. Your stage.

A multisport scoring app for the players, scorekeepers and organisers who make community sport happen.

01 Run it from one workspace.

Tournament details, registrations, teams and rosters, fixture plan, scorer access and sponsors, with a clear next task at each step.

02 Bring the players in.

Open registrations for a player pool and auction, or for existing teams. Captains can join their team with an invite link.

03 Plan the path to the final.

Build groups, set how many advance, seed the qualifiers and watch the winning bracket advance with every result.

04 Score, share and recognise.

Sport-specific scoring for six sports, shareable match links and images, and sponsors with logos and labels.

Cricket	Badminton	Tennis
Padel	Table tennis	Pickleball

Make your next match count.
